

Annex D: Vehicle and Driver Security Plan

Country: Palestine

Date: 24/11/2025

Safety & Security FP/Manager: Roni Hihi

Introduction & Purpose

The purpose of this Vehicle and Driver Security Plan is to establish minimum standards and procedures to mitigate risks associated with road travel for SOS CountryX personnel. Road traffic accidents and targeted security incidents are among the leading causes of injury and death for humanitarian workers globally. This plan aims to:

- Reduce the risk of road traffic accidents.
- Mitigate the threat of carjackings, ambushes, kidnappings, and other security-related incidents.
- Ensure the safety and well-being of all personnel and assets.
- Provide clear guidance for drivers and passengers before, during, and after a journey.
- Ensure a consistent and professional approach to vehicle safety and security across all SOS CountryX operations.
